REASON FOR UNINTENTIONAL DELAY
Of Application No. 09/626,804

This Patent was to be issued on two different occasions. However, the Attorney, George A. Bode failed to pay the issue fee resulting in the Patent Applications going abandoned.

George A. Bode had been paid in full. A record of the checks paid to him are attached.

A copy of a Decision made by the Director Office of Enrollment and Discipline against George A. Bode is enclosed. It shows other Patent Applications going abandoned as a result of Bode's dishonesty.

George A. Bode was suspended from practice before the USPTO for seven years. The face sheet and decision of this case is attached.

I appreciate your assistance in getting this Patent issued.

Sincerely,

A handwritten signature in cursive script, appearing to read "Walter Riddle".

FINAL DECISION UNDER 37 C.F.R. §
10.156

The Hon. Susan Biro ("ALF") issued an Initial Decision ("ID") finding that Respondent backdated three certificates of mailing; failed to communicate with clients, resulting in eight patent and trademark applications going abandoned; and failed to respond to Requirements for Information (RFIs) issued by the Office of Enrollment and Discipline (OED). Specifically, the ID found that by backdating certificates of mailing Respondent violated the following rules: USPTO Disciplinary Rule ("Rule") 10.23(b), by engaging in conduct involving misrepresentation; Rule 10.23(b)(6), by engaging in conduct that adversely reflects upon his fitness to practice; and Rule 10.23(c)(9), by knowingly misusing certificates of mailing. The ID found that through various failings involving his representation of several clients, Respondent violated the following rules: Rule 10.23(c)(8), by failing to inform clients of correspondence; Rule 10.77(c), by neglecting legal matters entrusted to him; and Rule 10.84(a)(2), by failing to carry out contracts for employment. Finally, the ID found that by failing to respond to RFIs, Respondent violated the following rules: Rule 10.23(b)(5), by engaging in conduct prejudicial to the administration of justice, Rule 10.23(b)(6), by engaging in conduct

○ Instead, the ID treated it as "part and parcel" of Respondent's general neglect of client matters." Id.

If Respondent had been charged with misappropriation of client funds and these charges had been sustained, a more severe penalty might well have been warranted. Given the posture of the case, however, the ID appropriately treated Respondent's failure to return the issue fee as part of his pattern of neglect. Viewed in this light, the apparent misappropriation does not fundamentally change the nature of the neglect. The ID expressly declined to find that Respondent had intentionally converted the funds. The amount at issue, although significant, is only of a fraction of the damage caused by Respondent's neglect.¹ Thus, Respondent's failure to return the issue fee does not itself warrant a more severe penalty under the neglect charges.

ORDER

Upon consideration of the entire record, and pursuant to 37 C.F.R. § 10.130(a), it is

ORDERED that thirty (30) days from the date this order is entered, George A. Bode, whose USPTO Registration Number is 30,028, shall be suspended from practice before the USPTO for seven years, with the final four years of the suspension stayed, and that Respondent Bode be placed on probation for the those four years. The terms of the probation are:

- (i) Respondent shall comply with all Disciplinary Rules applicable to patent attorneys practicing before the USPTO; and

¹ The ID found that the value of the abandoned patents and trademarks, had they been issued, was irrelevant. However, the \$605 issue fee is only a fraction of the total legal and USPTO fees paid but rendered futile as a result of Respondent's neglect.

- (ii) No document in any patent or trademark application can be filed in the United States Patent and Trademark Office by or on behalf of Respondent which (a) uses a certificate of mailing under 37 C.F.R. § 1.8 and (b) indicates that the document was prepared by, worked on, or signed by or on behalf of, Respondent.

The Respondent's attention is directed to 37 C.F.R. § 10.158 regarding responsibilities in the case of suspension or exclusion, and 37 C.F.R. § 10.160 concerning petitions for reinstatement.

It is further ORDERED that this Final Decision in this proceeding be published.

RECONSIDERATION AND APPEAL RIGHTS

Any request for reconsideration of this decision must be filed within twenty (20) days from the date of entry of this decision. 37 C.F.R. § 10.156(c). Any request for reconsideration mailed to the PTO must be addressed to:

James A. Toupin
General Counsel
United States Patent and Trademark Office
PO Box 1450
Alexandria, Virginia 22313-1450

A copy of the request must also be served on the attorney for the Director of Enrollment and Discipline:

Sydney Johnson
Associate Solicitor
U.S. Patent and Trademark Office
Post Office Box 16116
Arlington, Virginia 22215

○ Any request hand-delivered to the USPTO must be hand-delivered to the Office of the General Counsel, in which case the service copy for the attorney for the Director shall be hand-delivered to the Office of Enrollment and Discipline.

If a request for reconsideration is not filed, and Respondent desires further review, Respondent is notified that he is entitled to seek judicial review on the record in the U.S. District Court for the District of Columbia under 35 U.S.C. § 32 and LCvR 83.7 of the U.S. District Court for the District of Columbia within thirty (30) days of the date of entry of this decision.

Gentlemen:

I am happy to inform you that on July 27, 2000, the continuation-in-part patent application (copy enclosed) for the above-referenced invention was filed in the U.S. Patent Office and assigned Serial No. 09/626,804. The application, however, takes the filing date - August 2, 1999 - of the parent application Serial No. 09/365,630 with respect to common subject matter. The new serial number will follow the application throughout its entire life in the U.S. Patent Office. You are now free to continue marking any device made in accordance with the application with the notice

"PATENT APPLICATION PENDING"

or the like; however, I would recommend that you do **NOT** use the serial number as part of the notice as it will only serve to alert your competition to the approximate filing date of this application which remains **CONFIDENTIAL** in the U.S. Patent Office.

Should you have any further questions or requirements in this regard, feel free to contact me at any time. I remain,

Very truly yours,
